- Per Board Policy 6000, seniors are not eligible for exemption from exams for courses with state testing requirements, including courses with North Carolina Final Exams (NCFE), End-of-Course (EOC) and CTE Post-Assessments.

- According to North Carolina testing policy, students are not permitted to bring electronic devices (other than approved calculators) into the testing room at any time during state testing, including breaks. Any student with a cell phone/electronic device during testing must be dismissed from testing, and a misadministration will be declared for the student. Teachers will be collecting electronic devices in testing rooms to prevent any testing mis-administrations.

- Students are expected to take exams at the scheduled times. Students **SHOULD NOT** attend school on the days or periods that they do not have an exam. Please note that EOC's will be administered on their own test days. Students must be present at the beginning of the exam period to take the exam and must remain for the entire exam period to receive credit for the exam. In order to maintain the integrity of all assessments, students will not be permitted to check out early during exam blocks. Students do not report to class after taking the exam for that specific course. Students will be allowed to leave school early with a signed permission form, which can be picked up at the main office.
- Any student seeking principal approval to **take an exam earlier** than the scheduled time must present clear evidence supporting the validity of the request. Requests should be submitted to Joshua Brown at jbrown14@wcpss.net no later than April 22, 2019. Requests for courses with state exams are likely to be denied because of state testing procedures and regulations.
- If absent from an exam, the student is responsible for working with the teacher to schedule the make-up exam for a teacher-made exam. For a state exam (CTE, NCFE or an EOC), the assessments are already scheduled.
- Students who do not have a scheduled exam do not report to school on June 4-7, 10 and 11th. Students only have to attend school for their scheduled exams on all testing dates. Buses will follow the normal schedule. Students who only have one exam on any of these dates, but remain on campus either before or after a scheduled exam, must remain in the designated supervised areas and follow the schedule provided on those days.
